Sir:

**STATEMENT OF SUBSTANCE OF INTERVIEW**

Applicants thank the Examiner for the courtesy and consideration extended to the inventors and Applicants' representatives during a January 22, 2007, interview.

Applicants acknowledge the substance of interview summary mailed January 29, 2007. Specifically, Applicants acknowledge that during the interview, the inventors and Applicants' representatives presented arguments distinguishing claim 1, for example, over the prior art references attributable to Dunnett and Levy. Moreover, the inventors and Applicants' representatives also proposed claim amendments to further distinguish over the prior art. However, no agreement between Applicants and the Examiner was reached during the interview. Applicants respectfully continue to disagree with the Examiner's conclusions reached on the basis of the interview.

Please grant any extensions of time required to enter this Statement and charge any additional required fees to our deposit account 06-0916.
